Mission the mission of Central Jersey College Prep Charter School (CJCP) is to provide academic and social challenges and opportunities for students to attain the skills necessary for success in post-secondary education. CJCP serves its mission by offering rigorous academic programs, college and career counseling, and extracurricular enrichment activities.

School and Community: Central Jersey College Prep serves an urban community characterized by a low-income population of surrounding communities in Franklin, New Brunswick, North Brunswick, and Plainfield. CJCP is a **NATIONAL BLUE RIBBON SCHOOL (2016)**.

CJCP is fully accredited and approved by the New Jersey Department of Education.

School District: Our K-12 school includes elementary school (grades K-5), middle school (grades 6-8), and high school (grades 9-12) serving approximately 1000 students. The school district is noted for its comprehensive and rigorous curricula offerings, community outreach efforts, and enrichment programs.

Principal List and Honor Roll serve as an emblem of excellence to recognize students who excel academically. The lists are prepared at the end of each quarter. They are based on letter grades and include all subjects. The students' who qualify for Principal's List are those with an overall GPA of 4.0 and above GPA. Those who qualify for honor roll are those whom have attained a 3.75 – 3.9 GPA.

Curriculum: At CJCP we strive for academic excellence; which is designed to prepare students for both college and the workplace. We use a year-long schedule with 4 marking periods. CJCP offers Standard Academics, Resource Classes, Honors classes, Advanced Placement Courses, and dual enrollment courses offered through Raritan Valley Community College. This design allows for varied levels of learning to meet individual student needs.

Grade Point Average (GPA)

GPA is computed using the above quality points. Beginning with grade nine, all subjects, whether passed or failed, are included in the computation. We report weighted GPA on our transcripts. Class rank information is available only upon request. There are two levels of courses utilized for the purpose of calculating weighted grade point average; Advanced Placement (AP) / Concurrent Enrollment Program (CEP), and Honors (H) courses. Standard/College Prep courses are courses not designated AP or H. Honors courses are weighed 1.25, AP and CEP courses are weighted 1.33.
