AUTHORIZATION FOR ADMINISTRATION OF OVER THE COUNTER MEDICATION IN SCHOOL FOR ACUTE ILLNESSES

Our School Medical Inspector, Sathesh Porur Evalappan M.D., has authorized the administration of the following medications by the School Nurse in the School Health Office. However, parental/guardian permission is required before a student can receive any of the listed medication. If you would like your child to be able to receive any of the listed medication in school if needed, please complete the following and return it to the Health Office. Students will receive only ONE DOSE during the school day. Telephone verbal permission from a parent/guardian will be requested prior to the administration of medication.

The following section is to be completed by the PARENT/GUARDIAN:

•	• •
Student's Name	Grade
School Nurse or other individuals a pursuant to N.J.A.C:.6A:16-2.3. I up the medication is mine, and I am for require their presence at another understand that the school district of any condition or injury arising for medication prescribed on this form	d in taking the medication described below at school by the authorized to administer medication to students in school inderstand the ultimate responsibility for administration of ully aware that the duties of the school nurse and others may location at the time that the medication is needed. It, agents and its employees shall incur no liability as a result from the administration or lack of administration of the in.
